Case № 2:24-cv-03164-ODW (SKx)

**SCHEDULING MEETING OF  
COUNSEL [FRCP 16, 26(f)]**

**NOTICE OF INTENT TO ISSUE  
SCHEDULING ORDER on  
October 9, 2025**

This case has been assigned to the calendar of United States District Judge Otis D. Wright II. The responsibility for the progress of litigation in the federal courts falls not only upon the attorneys in the action, but upon the court as well.

In order “to secure the just, speedy, and inexpensive determination of every action,” Fed. R. Civ. P. 1, all counsel are hereby ordered to familiarize themselves with the Federal Rules of Civil Procedure (“Rule” or “Rules”), the Local Rules of the Central District of California, and the standing rules of this Court.

Counsel please note the changes made to former Local Rule 6, now superseded by Federal Rules of Civil Procedure 16 and 26(f), effective December 1, 2000. The Court will issue a Scheduling Order pursuant to Federal Rule of Civil Procedure 16(b)

1 on or before the date set forth in the caption.<sup>1</sup> **No scheduling conference will be held**  
2 **unless ordered by the Court.** Counsel shall meet at least 21 days in advance of the  
3 above date to prepare a jointly signed report for the Court, to be submitted no less than  
4 7 days before the above date. *See* Fed. R. Civ. P. 26(f)(1)–(2). The report is to  
5 contain the items set forth below. Pursuant to Rule 16(c), the parties shall be  
6 represented by counsel with authority to enter into stipulations regarding all matters  
7 pertaining to conduct of the case.

8 The Joint Report to be submitted shall contain the items listed in Rule 26(f); the  
9 parties' recommendations and agreements, if any, about the final scheduling order as  
10 listed in Rule 16(b)(1) through (6); and those items listed in Rule 16(c) which counsel  
11 believe will be useful for the Court to know. Items which must be listed are the  
12 following:

- 13 (1) a listing and proposed schedule of written discovery,  
14 depositions, and a proposed discovery cut-off date;
- 15 (2) a listing and proposed schedule of law and motion matters, and  
16 a proposed dispositive motion cut-off date;
- 17 (3) a statement of what efforts have been made to settle or resolve  
18 the case to date and what settlement procedure is recommended  
19 pursuant to Local Rule 16-15.4 (specifically excluding any  
20 statement of the terms discussed);
- 21 (4) an estimated length of trial and a proposed date for the Final  
22 Pretrial Conference and for Trial;
- 23 (5) a discussion of other parties likely to be added;
- 24 (6) whether trial will be by jury or to the court;

---

25 <sup>1</sup> Unless there is a likelihood that upon motion by a party the Court would order that any or all  
26 discovery is premature, it is advisable for counsel to begin to conduct discovery actively before the  
27 Court issues a Scheduling Order. At the very least, the parties shall comply fully with the letter and  
28 spirit of Rule 26(a) and thereby obtain and produce most of what would be produced in the early  
stage of discovery, because in the Scheduling Order, the Court will impose tight deadlines to  
complete discovery.

1 (7) any other issues affecting the status or management of the case,  
2 including whether there is an immediate need for a case  
3 management conference; and

4 (8) proposals regarding severance, bifurcation, or other ordering of  
5 proof.

6 In addition, the Joint Report shall contain the following:

7 (1) a short synopsis of the principal issues in the case;

8 (2) a statement of whether pleadings are likely to be amended; and

9 (3) a statement as to issues which any party believes may be  
10 determined by motion.<sup>2</sup>

11  
12 In the Scheduling Order, the Court will set a date for discovery cut-off,<sup>3</sup> a final  
13 date by which dispositive motions must be set for hearing, a Final Pretrial Conference  
14 date, and a trial date.

15 A continuance of the date set forth in the caption will be granted only for good  
16 cause. (Counsel are informed that continuance of the above date causes  
17 commensurate delay in the trial date.) **The failure to submit a Joint Report in**

18  
19  
20 <sup>2</sup> **Error! Main Document Only.**Where the Plaintiff's claim is predicated in whole or in part on  
21 denial of benefits under a plan regulated by the Employee Retirement Income Security Act of 1974,  
22 29 U.S.C. § 1000 *et seq.* ("ERISA"), the parties shall address the following additional issues in their  
23 Joint Report: (1) Standard of Review: What standard of review is applicable? If the parties disagree,  
24 they shall propose a schedule for early briefing and decision of this issue on Motion; and (2) Pre-  
emption: Is there any contention that any state-law claim asserted by Plaintiff is pre-empted by  
ERISA? If so, the parties shall propose a schedule for early briefing and decision of the issue on  
Motion.

25 <sup>3</sup> **Error! Main Document Only.**This is not the date by which discovery requests must be served; but  
26 the date by which all discovery is to be completed. Any motion challenging the adequacy of  
27 discovery responses must be filed timely, served, and calendared sufficiently in advance of the  
28 discovery cutoff date to permit the responses to be obtained before that date, if the motion is granted.  
The Court requires compliance with Local Rules 37-1 and 37-2 in the preparation and filing of  
discovery motions. Except in the case of an extreme emergency which was not created by the  
lawyer bringing the motion, discovery motions may not be heard on an ex parte basis.

1 **advance of the date set forth in the caption may result in the dismissal of the**  
2 **action, striking the answer and entering a default, or the imposition of sanctions.**

3 A settlement procedure appropriate to the particular case will be used in every  
4 civil action pursuant to Local Rule 16-15.1. In the Joint Report, counsel are to  
5 recommend a specific settlement procedure provided for in Local Rule 16-15, which  
6 will be utilized in this case. Available alternatives for consideration, not to the  
7 exclusion of others, include:

- 8 (1) a settlement conference before the magistrate or district judge  
9 assigned to this case (Local Rule 16-15.4(1));
- 10 (2) appearance before an attorney selected from the Attorney  
11 Settlement Officer Panel (Local Rule 16-15.4(2));
- 12 (3) appearance before a retired judicial officer or other private or  
13 non-profit dispute resolution body for non-judicial settlement or  
14 mediation proceedings (Local Rule 16-15.4(3));
- 15 (4) such other settlement mechanism proposed by the parties and  
16 approved by the court.

17 The report to the Court as to the above items should be preceded by a thorough  
18 and frank discussion among the attorneys for the parties. A Joint Report which does  
19 not comply with Rule 16, Rule 26(f), and this Order may cause continuance of the  
20 date set forth in the caption and possible sanctions under Rule 16(f) against the party  
21 or parties responsible. No courtesy copies of the Joint Report are required.

22 Motions shall be filed in accordance with Local Rule 7; the next available  
23 motion date can be found on the Court's motion calendar, which can be viewed on the  
24 Court's website.<sup>4</sup> This Court hears motions on **Mondays, commencing at 1:30 p.m.**  
25 **No supplemental brief shall be filed without prior leave of Court.** Courtesy copies  
26 are not required, except for motions for summary judgment or motions involving a

set for hearing (not filing) by the motion cutoff date.

1 substantial evidentiary showing. For these motions only, conformed courtesy copies  
2 of **moving, opposition, and reply papers** shall be delivered to the courtesy box on  
3 the 4th FLOOR of the U.S. Courthouse, 350 W. 1st Street, **by 2:00 p.m. the**  
4 **following business day. Courtesy copies shall NOT be blue-backed.** Adherence to  
5 the timing requirements is mandatory for chambers' preparation of motion matters.

6 Counsel should take note of the changes to the Local Rules affecting motion  
7 practice in the Central District. Among other things, Local Rule 7-3 requires counsel  
8 to engage in a pre-filing conference "to discuss thoroughly . . . the substance of the  
9 contemplated motion and any potential resolution." Counsel should discuss the issues  
10 sufficiently that if a motion is still necessary, the briefing may be directed to those  
11 substantive issues requiring resolution by the Court. Counsel should resolve minor  
12 procedural or other nonsubstantive matters during the conference.

13 **Memoranda of Points and Authorities in support of or in opposition to**  
14 **motions shall not exceed 7,000 words.** C.D. Cal. Civ. L.R. 11-6.1. **Replies shall**  
15 **not exceed 3,300 words.** Only in rare instances and for good cause shown will the  
16 Court grant an application to extend these limitations. **Typeface shall comply with**  
17 **Local Rule 11-3.1.1. NOTE: Times New Roman font must be used and the size**  
18 **must be no less than 14.** Footnotes shall be in typeface no less than two sizes smaller  
19 than text size and shall be used sparingly. Filings that do not conform to the Local  
20 Rules and this Order will not be considered.

21 Each party filing or opposing a motion or seeking the determination of any  
22 matter shall serve and lodge a Proposed Order setting forth the relief or action sought  
23 and a brief statement of the rationale for the decision with appropriate citations. At  
24 least two lines of the text of any order or judgment shall appear on the page that has  
25 the line provided for the signature of the judge, and at least two lines above the  
26 signature line shall be left blank for the judge's signature. C.D. Cal. L.R. 58-10.

Counsel are reminded ex parte applications are solely for extraordinary relief. *See Mission Power Engineering Co. v. Continental Casualty Co.*, 883 F. Supp. 488 (C.D. Cal. 1995).

///

Counsel for Plaintiff shall immediately serve this Order on all parties who have not yet appeared in this matter, including any new parties later added to the action.

**IT IS SO ORDERED.**
